## CHRIST HOSPITAL MINISTRY

CARING FOR THE SICK, REBUILDING & TRANSFORMING LIVES.

CHRIST Hospital Ministry is a non-denominational Christian charity organization. We identify with the loneliness, low self-esteem, a sense of abandonment and loss of hope that is associated with sickness. It is this awareness, coupled with compassion for the sick that brought the CHM program to birth.

Since CHM is non-denominational, we care for the sick regardless of their background based on the unconditional love of Christ.

However, against a backdrop of increasing demand, and indeed what we believe was God's specific leading and timing, a clear need for a more structured ministry was identified.
