CHRIST HOSPITAL MINISTRY (CHM) INTERNATIONAL NEWSLETTER

July 2015

Editorial: Greetings to you in the precious name of our Lord Jesus Christ. Since our newsletter went out in April, God has done exploits among us. We are glad to report that His presence has remained ever sure and His mighty hand has been with His people.

Once again, thank you for your prayers and support. We appreciate you and everything that you continue to contribute towards supporting the sick. May the Lord continue to bless you mightily in your endeavours.

CHM UK Annual Training Day

CHM UK recently held its annual training day on 27th June 2015 at Emmanuel Church, Clive Road, Dulwich, London. The training was ably delivered by Mr Femi Abiodun, General Secretary of CHM International, supported by Rev. Samuel Ajibola, President, CHM International. It was very informative as always, well attended by volunteers. Below is a photograph of delegates at the training day:

CHM & Norwood Cell Group Away day:

CHM was borne out of a vision given to our President, Rev. Sam Ajibola, who is also the leader of Norwood Cell Group in South East London, UK. So the annual Away Day which is devoted to prayer and fasting is jointly held with this group. The last Away Day was held on 4th July 2015, a day that may resonate with our colleagues in the USA (being the American Independence Day).

The theme for the day was "Holy Spirit Experience - A Personal Encounter." It was a day when many received the gifts of the Holy Spirit mentioned in 1 Corinthians 12:4-11. In one of his messages on the day, Rev. Ajibola espoused the virtues of the fruit of the Holy Spirit mentioned in Galatians 5:22-23. There are now testimonies of what the Lord has done and continues to do in the lives of those who attended.

One of the many prayer sessions at the 2015 Away Day

It was one of the best attended Away Days in recent years and one we believe many would like to reprise if only for the glorious manifestations of the power of the Holy Spirit. Below are some of the testimonies received following the time of ministration at the Away Day:

- Divine healing from spiritual attack that had manifested as a long term low back pain.
- Complete deliverance from demonic influence. The person reported a feeling of freedom and lightness of spirit after their encounter with the Holy Spirit.

Update On Our Previous Prayer Requests

In the April newsletter we requested prayer for an elderly Nigerian woman who suffered a stroke. With gratitude to Almighty God for His divine healing, we are happy to report that the woman has now regained her speech and the use of her limbs. Whereas she was unable to attend church, she has now become fully mobile and started doing so.

PRAYER REQUESTS

1. Prayer for all children in care homes and those in rehabilitation centres that the power of God will be manifested in their lives and that they will experience complete healing.
2. Prayer for divine healing for a young man in America with cancer, who is currently undergoing treatment.
3. Prayer for a man in his thirties with mental health issues that he will be healed and that he and his family will have peace.
4. Prayer for healing for an elderly woman with severe mental health issues.
5. Prayer for divine healing of a lady in the UK currently undergoing chemotherapy for cancer.

One of our stalwarts has GONE to be with the LORD

Mama was a true soldier for the Lord. She served Him with all her might—a conspicuous CHM volunteer who would not be deterred in her resolve to help wherever she was needed.

It has pleased the Lord to call home His worthy servant and we are grateful to Him for a life well spent.

Sleep well, dear Sister Tina, until we meet again.
